Mr. Goldfine has nine years' experience in graphic design with a background in both Web and print publication. He is experienced in creating and designing brochures, Web pages, books, posters, flyers, logos, illustrations, labels, PowerPoint presentations, and booklets. Mr. Goldfine has worked on and created many products for conferences, specialized projects, and large-scale promotion. As a graphic designer, he works with a variety of clients such as the U.S. Department of Health and Human Services, the U.S. Public Health Service Commissioned Corps, and the National Eye Institute.

## Employment

### **GRAPHIC ARTIST, MACRO INTERNATIONAL, INC., SOCIAL & HEALTH SERVICES DIVISION, ROCKVILLE, MD, 2000–PRESENT**

Mr. Goldfine produces brochures, newsletters, flyers, logos, illustrations, booklets, video covers, video labels, conference materials, business cards, promotional pieces, and compact disc (CD) and DVD labels. He works with clients to determine the best way to convey the message graphically, and he organizes clients' ideas into a well-designed layout. Mr. Goldfine works as lead designer on multiple projects, often working with multiple people to complete a project. He creates illustrated and photographic posters, layouts, and designs for proposals and publication covers, and layouts and artwork for PowerPoint presentations. In addition, Mr. Goldfine creates large-format prints for conferences and displays. He creates products in various sizes and lengths.

### **WEB DESIGNER, SOCIAL AND HEALTH SERVICES, LTD., ROCKVILLE, MD, 1998–2000**

As a Web designer, Mr. Goldfine produced layouts and images for Web pages. Mr. Goldfine primarily worked on NCADI's PREVLIN Web site. He created artistic layouts and art for the site.

## Education

University of Maryland Baltimore County, Baltimore, MD
